Dear Sir:

This document accompanies an Information Disclosure Statement including one or more document that is not in the English language. Below is an identification of each such document and a concise explanation of the relevance, as presently understood, of such documents:

1. JP 06-279397 – This document was cited by the Japanese Patent Office during prosecution of a related Japanese Patent Application. Also, an English-language abstract from Patent Abstracts of Japan is attached to the document.
2. Eiji, Usami et al. (1995), technical paper – This document was cited by the Japanese Patent Office during presentation of a related Japanese Patent application. Also, an English-language abstract appears on page 174 of the document.

Respectfully submitted,

Date: 2008-03-18
